General comments				
Cidemad is a timber exporter operating in Mato Grosso and Rondônia states (1). Cidemad exported timber to the USA in 2017 with a suspicious link to a Brazilian justice fugitive, Valdelir João de Souza (2), suspect of the murdering of 9 rural workers in Colniza in 2017, a crime known as the "Colniza Massacre" (3). Customs records show several shipments from Cidemad in Rondônia to the United States in the past two years (4). Cícero Durski is a member of a traditional family of loggers with operations in Mato Grosso, Rondônia, and Paraná (5).
