General comments			
<p>The Diamante, Esmeralda, and Safira farms, located in Baixa Grande do Ribeiro and Santa Filomena, are soybean and corn producers and supply grain to traders Bunge and Cargill (1). They also claim to own 35.384 thousand hectares distributed in the states of São Paulo, Goiás and Piauí producing soy, corn, sugar cane, beans and cattle. In 2013 and 2014 Damha Agronegócios received loans from BNDES agricultural credit lines granted by Banco do Brasil and Banco Pine (2). The company's farm Fazenda Bonança, in Pereira Barreto (SP), is authorized to export fresh beef to the EU (3).</p>
