<p>General Comments</p>	
<p>soy expansion: no soy on case properties themselves. Has another property also without soy 15km away, which is bordered by 5 other properties under ownership of CODECA COLONIZADORA DE CARLI LTDA, which has soy. De Carli is a known soy producer in the state of PI. De Carli is a conceived land grabber (1) who died in June 2019 (2). In May 2015, an investigation of the Federal Public Ministry and the Federal Police of Piauí unveiled a land grabbing network connected to Euclides de Carli, pointed as the main land grabber in Matopiba region, controlling over 1 million hectares (3, 4, 5). In 2016, a justice court in Piauí blocked the titles of 124,000 hectares in possession of De Carli (6). De Carli's company, CODECA, also connects to TIAA-CREF investments in Brazil, operated by Radar S/A, a joint venture with Cosan (7, 8). The local Agrarian Court estimates that 300,000 ha of land in Maranhão and Piauí states are linked to De Carli's land-grabbing crimes (9). De Carli is also accused of violence and threats connected to invasions of lands occupied by local communities (1, 8). He is still registered as the owner of 16 companies in Maranhão (10).</p>
