General comments			
<p>The company "Indústria de Derivados da Mandioca Santa Cruz" is involved in a land dispute with the "Associação dos Acampados da Gleba Boa Sorte", representing a group of 200 families who revendicate the land tenure rights over a public area named "Gleba Boa Sorte" close by Cuiabá (MT) (1). The families are living in the area since 2005 requesting to the state government of Mato Grosso the landownership through the establishment of a rural settlement. In 2020, the company requested the ownership of the area to the court of justice (2). The company claims to own an area of 1,426 ha (3). A linked property, Fazenda Mata do Puba (Barreiras - BA) had an authorization for the clearance of 670 ha in 2018 - valid for 2 years (4).</p>
